Review of BRANZ Appraisal Summary:

The annual surveillance processes for the BRANZ Appraisal(s) listed is complete. The manufacturing, supply-chain and installation surveillances are to be carried out. A review of the Appraisals supporting documentation and Building Code conformance has been completed and found satisfactory. A review of the Project Record has been carried out and the information has been reviewed and re-confirmed by the Appraisal Holder.

It is recommended that this Appraisal remains valid subject to BRANZ Services Terms and Conditions.

Recommendation and Approval to maintain validity of Appraisal.

Reissue of BRANZ Appraisals

To ensure ongoing currency a Reissue of all Appraisals is completed every five years from the date of issue. A Reissue replaces the Annual Review for that year and involves a more detailed review of the Appraisal file and supporting documents.

The Appraisal is due for a Reissue before every 5th anniversary, the next being on [Tuesday, 23 March 2027](#). BRANZ will contact you prior to the due date of the Appraisals Reissue to discuss.
